Dear Interested Parties

Re Otterpool Park Proposal-First Stage Feasibility Report

Lympne Parish Councillors have taken some time to review the First Stage Feasibility Report for the above mentioned proposal and we have enclosed our review of the Report and some associated matters.

Unlike yourselves we are a small group of volunteers and we are not experts in your respective fields but we have analysed the report to the best of our ability and have a large number of queries we would request answers to and comments we wish to make.

We ask that our review is taken seriously and would invite you all to provide answers directly to us as a Parish Council in writing.

We also ask that following the provision of answers and our analysis of them we can meet with representatives from your Organisation early in the Autumn at Lympne Parish Council Committee Room. Please can you organise some dates when you are all available and we can then arrange a convenient time for the meeting.

We will publish our review on the Lympne Parish Council Website and will also notify our Parishioners of the content of our letter to you all so they are informed of our actions and the responses we have requested. Please do not hesitate to contact us via our Parish Clerk should you have any queries.

Yours faithfully

Doctor Sally Edwards-Watkins,
Mr Rob Auger-Councillor
Mr Peter Geering -Councillor
Mr Colin Hunter-Councillor

Chair. Mrs Pauline Boor-Vice Chair
Mr John Burrows-Councillor
